Blessing to my brothers and sisters at CUMC. Just as spring begins to show us, the blooming of flowers and plants, I see that everything that relates to our spiritual development grows and

blossoms. The rain waters the plants and God waters our lives with His blessing. Plants give us flowers and our God gives us talents and gifts that we can share with those who need them and we use them for our spiritual strengthening. It is my prayer that in this season we will continue to grow and produce. There are many who need us to help them in different areas of their lives such as spiritual, family, social and communal. In Christ,
Rev. Pilar Perez

A Metaphor for Change

Spring is a metaphor for change. Some changes we eagerly await, and some we abhor. Some changes we plan and others arrive uninvited. To all these changes we ask the gift of Your perspective beckoning us to expectation, hope, and rebirth.

May the sunlight and the rain be reminders that You are at work renewing the earth. As a God of renewal, You are ever at work in our lives, too.

Open our eyes and lives to the needed changes in our lives this Spring. Awaken us to new life and perspective, for we pray in Jesus' name.
